

Brown Grab Bag

Here is your chance to enjoy a great bottle of wine without worrying about what year it is or isn't, who the producer may be or even where it was made.

Each bottle is priced at \$35 or \$50 and served wrapped in a brown bag with a tag of descriptive terms. Every bottle is pulled directly from our already low price menu and reduced even further!

It is time for an
Adventure in your glass.

Are you ready?
