Alexandria Nicole "Vin 94"
You have waited so patiently for this promised wine!
This is it!! This is the official release party for Vin 94!!
Jarrod made this beautiful Bordeaux style blend
just for 94 Stewart. You will find it nowhere else on earth...
For this special wine, I am creating an ultimate dessert experience.
Right now it is a concept simmering in my mind. Chocolate will be involved,
possibly some sort of pastry and a sultry, totally decadent cream filling.
A worthy dessert for a worthy wine. Celinda
