

# Wines of 94

Within these pages you will find wines that are not only food friendly, but many that can stand on their own. Having personally tasted nearly every bottle before it graced these pages; I assure that each bottle is a great find, not only in value, but quality. Need some help? Give your server some direction as to cost, style, region.

They will work to find you the best bottle, not only for your meal, but your overall enjoyment. That is, after all, what dining out with friends and family is all about; having the best time possible.

Chef Celinda Norton

With such a vast list of great wines we will inevitably run out of some selections.  
We are here to help make alternative recommendations.

## a very special category...

When I tried this wine I closed my eyes and was transported directly to a beautiful café in Bourdeaux.

The wine is actually from Canada. Made from a typical Bourdeaux blend expertly produced by a master of his trade.

The price is amazing. I was able to obtain one perfect case. Please enjoy... Celinda
